INTERNSHIP CERTIFICATE

October 11th, 2024

To whom it may concern,

This is to certify that **Viet Anh Hoang** as successfully completed an internship with PhenikaaX as a **Software Developer Intern** joining from **Monday, Jun 17, 2024** until **Friday, September 13, 2024**.

He worked on the AI Chatbot Project under the supervision and guidance of Ninh Ngoc Pham.

During this period, he contributed effectively to various tasks, with a focus on Python programming, GPT integration, Prompt Engineering, and data processing. He showed strong analytical and problem-solving skills, handling data processing challenges and improving LLM responses with effective instructions.

Supervisor's Comments:

Ninh Ngoc Pham notes that Viet Anh Hoang's progress and performance indicate a solid foundation for tackling real-world project tasks, and continued growth will further enhance their capabilities.

We appreciate Viet Anh Hoang dedication, hard work, and eagerness to learn, and we wish them all the best in their future endeavors.
